MEMORANDUM FOR RECORD

FROM: RMR-MT-037/CC

SUBJECT: Monthly Schedule

- The following schedule will be observed for cadets at our weekly meetings, unless otherwise announced over the squadron email list or at a squadron meeting. This is a general schedule, from which the orders of the day for each weekly meeting will be written. At each weekly meeting, members will consult the orders of the day for any pertinent details and special instructions.

		Week 1	Week 2	Week 3	Week 4	Week 5 (once per quarter)
UOD		Blues	BDUs	PTUs	BDUs	TBA
1900-1910	<i>Opening (15 mins)</i>	Opening Formation and Inspections				
1910-1915		Announcements				
1915-1930	<i>Emphasis Item (15 mins)</i>	Safety Briefing/ Commander's Call	AE Current Events	D&C	AE Historical Report	TBA Fun Activity
1930-2015	<i>Core Curriculum (45 mins)</i>	Character Development	Aerospace	Physical Fitness Test (CPFT)	Leadership	
2015-2020	<i>5 mins</i>	Break & Admin				
2020-2105	<i>Special Training (45 mins)</i>	Flight Time - Squadron	Emergency Services	Team Building / Written Testing	Flight Time - Elements Drill Tests/ PRB	
2105-2115	<i>Closing (10 mins)</i>	Final Formation Promotions	Final Formation			

- Senior Members not required to directly support a Cadet activity will train separately as time allows. Training will include but not be limited to: participating in the national radio net, emergency services, professional development, and aerospace education.
- Please direct any questions through the Chain of Command.
